MEMORANDUM

To: Human Services Board
Personnel and Labor Relations
Green County Board of Supervisors

From: Dan Williams, Human Services Director 

Date: January 6th, 2025

Subject: Creation of Two 0.50 FTE Case Manager – Housing Positions

Rationale for Position Creation:

Green County Human Services is completing the process of becoming an approved provider for the 1915(i) Housing Support Services Benefit. This is a Wisconsin Medicaid program that allows for:

- Housing Consultation
- Transition Supports
- Sustaining Supports
- Relocation Supports – If in a provider operated shelter, up to \$2,000 for a Security Deposition, Utility Activation, Basic Home Furnishings, and/or Health Safety Services.

Additional information about the 1915(i) Housing Support Services Benefit can be found here:
<https://www.forwardhealth.wi.gov/kw/pdf/2025-01.pdf>

These positions will allow us to provide evaluation and case management services to administer the Wisconsin Medicaid 1915(i) Housing Support Services Benefit and open the benefit up to eligible residents of Green County. Originally, we were hoping community-based providers would provide this benefit; however, since its effective date on February 1st, 2025, no community-based providers are providing the services in Green County. With the opening of FIELDS of Green County, our Emergency Shelter, and the increased housing instability we are seeing in the community, the need for housing support is substantial and growing.

The 1915(i) program requires that services be delivered by a bachelor's degree level provider. In addition, the provider who completes the evaluation and develops the person-centered service plan may not be the same provider who delivers ongoing services. As a result, administering this program requires two positions.

Funding:

Annual Cost for each position is \$31,888.67 (Assuming Step A), of which \$0.00 is expected to be tax levy. These positions are expected to be 94% funded by the Medicaid 1915i Supportive Housing Program. The remaining 6% will be funded by Emergency Solutions Grant (ESG) and Homelessness Prevention Program (HPP) grant funding.

The position expenses, as well as the expected revenue, were not incorporated into the 2026 Human Services Budget.

Wage Scale:

The position was not on the wage scale. The job description and position description questionnaire were evaluated by McGrath Human Resources Group and it was recommended the positions be placed on Grade 50.

Approvals:

This position will require Human Services Board, Personnel & Labor Relations Committee, and Full County Board approval.

RESOLUTION 1-2-26

MEMORANDUM

To: Green County Board of Supervisors
From: Dan Williams, Human Services Director
Date: January 6th, 2026
Subject: 2026 Human Services Fee Schedule

Administrative Code DHS 1.03(2) requires County Departments of Human Services to establish fees for services provided under s. 51.42 and have them approved annually by the County Board of Supervisors. In addition, Administrative Code DCF 1.03, allows County Department of Human Services to establish fees for child welfare and community-based youth justice services.

The 2026 Human Services Fee Schedule includes all fees established by Green County Human Services, including those required by DHS 1.03(2) and allowed by DCF 1.03. Fees are calculated annually based on our budgeted costs to provide the service. The fee schedule also indicates which fees can be waived and which fees are subject to the Monthly Maximum Fee calculation.

If the fee is waived, it is never charged to the consumer. If the fee qualifies for the Monthly Maximum Fee calculation, the consumer is charged their monthly ability to pay as outlined under DHS 1.05(4)(a) and DCF 1.05(2)(a). The Monthly Maximum Fee is recalculated annually or when the consumers financial situation changes.

Sincerely,

Dan Williams, CAPSW
Human Services Director
